ORDINANCE NO. _____

**ORDINANCE AMENDING CHAPTER 8B AND 8CC OF
THE CODE TO INCLUDE REQUIREMENT THAT
LOOSE OBJECTS IN OUTDOOR LOCATIONS BE
SECURED WHEN A SEVERE WEATHER ADVISORY
IS ISSUED TO PREVENT SUCH OBJECTS FROM
BECOMING PROJECTILES DURING A SEVERE
WEATHER EVENT; ESTABLISHING PENALTIES;
PROVIDING SEVERABILITY, INCLUSION IN THE
CODE AND AN EFFECTIVE DATE**

WHEREAS, enacting measures that require residents and businesses to store or brace loose objects to prevent such objects from becoming dangerous projectiles during a severe weather event is essential to the safety of our community in the event emergency conditions are created by the recently experienced more active hurricane seasons; and

WHEREAS, public safety is jeopardized when businesses and residents fail or delay in securing loose objects well in advance of a severe weather event; and

WHEREAS, the requirement to secure loose objects in exposed outdoor locations already exists in the Building Code at Section 8-16 of the County Code; and

WHEREAS, a proposed amendment to the Building Code removes the requirement of securing loose items other than in construction sites; and

WHEREAS, the proposed amendment herein seeks in substance to retain and clarify the requirement to secure loose objects in outdoor locations other than construction sites that has existed in Section 8-16 of the County Code and merely relocates that requirement to Chapter 8B governing emergency management; and

WHEREAS, retaining the requirement that loose objects be secured well in advance of a severe weather event serves important emergency preparedness objectives,

NOW, THEREFORE, BE IT ORDAINED BY THE BOARD OF COUNTY COMMISSIONERS OF MIAMI-DADE COUNTY, FLORIDA, that:

Section 1. Chapter 8B of the Code of Miami-Dade County is hereby amended by the addition of the following new section:

Loose objects that are covered by the requirements of County Code Section 8-16 relating to Building Code requirements for maintenance of construction sites shall not be governed by this Section and will be governed by Section 8-16 of the County Code.

(2) **Requirement To Secure Loose Objects When Severe Weather Advisory Is Issued**

When a severe weather advisory is issued for Miami-Dade County, or any portion thereof, any loose object as defined herein shall be secured by either: (a) storage of such loose object in a building or structure or (b) bracing, bundling or fastening such loose object to a fixed structure or otherwise in a manner sufficient to prevent such loose object from becoming windborne during a severe weather event or in such manner determined by the County or municipal official charged with enforcing this requirement that will prevent such loose object from being windborne during a severe weather event.

(3) **Enforcement; Penalties**

- (A) Failure to abide by the provisions of this Section shall be punishable by civil fine in the manner established by Chapter 8CC of this Code, with each day of violation constituting a separate offense. The provisions of this Chapter shall also be enforceable through injunctive relief as a means of protection of the public interest through the exercise of the County's police power, and through any other means available at law.
- (B) This Section shall preempt and supersede any inconsistent municipal ordinance to the same effect.
